About Us

Welcome to the Active Lifestyles Team's web pages.

Our overarching vision for Bath and North East Somerset is:

To get more people, more active, more often, leading to improved health and wellbeing and the creation of stronger, safer communities for all.

Fit for Life is our active leisure strategy which shapes how we will achieve our vision.

Being active is important for our health and wellbeing. Moving more helps our mind and body and can prevent a range of diseases including heart disease, stroke, type 2 diabetes and some cancers.

There are many ways to move more and be active. You can do it on your own, as a family or with friends. Make it fun!
